

2016 EAT. LEARN. LIVE. AND GROW GRANT APPLICATION

SPONSORED BY CHARTWELLS K12

Introduction:

Planting the seeds of health and wellness, The 2016 Eat. Learn. Live. and Grow Grant sponsored by Chartwells K12 in partnership with KidsGardening.org offers funding for schools seeking to enhance their curriculum and offer food and nutrition education through an edible garden program.

Who is Eligible to Apply:

Any public or private school serving students in grades K to 12 and planning a new or expanding an established garden program is eligible to apply. The selection of winners will be based on demonstrated or potential program impact and sustainability in addition to how well the program connects to the theme “How Do You Eat. Learn. Live and Grow?”

Application:

The application must be submitted online at: <http://grantapp.kidsgardening.org/index.php/719897?lang=en>

Due Date: Applications must be submitted by **August 31, 2016.**

Please read through the entire application before you begin. This will help you avoid duplicating information and allow you to make the best use of the available space. We strongly advise saving the questions into a word document and copying and pasting your answers into the application.

Please note you may go back in and edit your document by clicking the “save and resume later” however once you select “submit” you will not be able to edit or access your application. You will receive a confirmation statement that the application was successfully received after you select submit. Please note, applications that are started, but not submitted, will **not** be considered for the award.

Yes

No

Program Overview

21. Provide a concise overview of your garden program. List the goals of your program, describe the youth who will participate and how they will be engaged in the garden, and share innovative aspects of your program. If you are proposing a new school garden program, detail the planning that has been done to date toward implementing your program. If you have an established garden program, please describe the benefits children have derived from their experiences. If you are a new program, please describe the benefits you hope to achieve. (limit 1000 words)

Volunteers and Leadership Team

22. Does your garden program partner with or receive support from any of the following individuals or organizations (please check all that apply):

Parents

PTA/PTO

Lunchroom/Cafeteria Staff

School Administration

Neighbors or Community Volunteers

Master Gardeners

Food Corp Volunteers

Farmers

Corporate Volunteers

Ag Business/Industry

Garden Clubs

Local Government Offices

Local Extension Office

Local College or University

Farm to School Program

Slow Foods Chapter

Other. Please list.

23. List the individuals on your program's leadership team and describe each leader's experience in gardening with kids and how they are involved in your program. Also, describe how your garden program recruits and utilizes volunteer help. (Limit 500 words)

Program Details

24. How do you plan to use the harvest from your garden (check all that apply):

Students will take home

For cooking demonstrations and or sampling by students

Use in cafeteria/café

Sell as a fundraiser

Donate to the community

Other

25. How does your garden help participants Eat. Learn. Live and Grow?

Describe what aspects of your garden program will focus on health and wellness education. How does your program support and encourage healthier lifestyles? (limit 750 words)

26. Describe how your cafeteria/café will collaborate with your garden program. (limit 500 words)

Garden Plans

27. What type of garden beds do you have or plan to install:

- in ground
- raised beds
- containers
- indoor grow lights
- other

28. What do you plan to grow in your garden beds:

- vegetables
- fruits
- fruit trees
- herbs
- flowers
- other

29. Describe the design, or planned design, of the garden that is established or that you intend to create. Include the size of the garden and the work that has been done to date to implement your plans. (Limit 750 words.)

30. How do you plan to sustain your program in the future (e.g., ensure ongoing maintenance and leadership; build partnerships; find sources and/or funds for plant materials, services, tools, etc.)? (limit 500 words)

Budget

31. Budget. Please provide a detailed account of how you will spend the money if you are awarded an Eat. Learn. Live. and Garden Grant. Provide a description of what you would purchase if you received a \$1,000 award or if you received a grand prize package of \$2,500 (for programs with an existing garden) or \$5,000 (for a program with a new garden).

Attachments
