

# FUNDRAISING

## Organic and Sustainable All Purpose Fertilizer

Cost: \$5 per bag

Suggest resale - \$10 to \$12 per bag

4lb bags with 6 bags per case – profit per case \$30 to \$42

Perfect for all kinds of Vegetables, Herbs, Tomatoes, and Flowers

Made with upcycled coffee chaff and other organic ingredients

Coffee chaff is a nitrogen rich husk the blows off the green bean during coffee roasting

Clean Label – Coffee Chaff, Soybean Meal, Bone & Meat Meal and Sulfate of Potash

The Friendly Fertilizer - smells great and no chemicals, animal manure, fish guts or other nasty stuff

Safe for kids and pets

Works great - out performers the leading competition by 34%

Comes with sell sheet and order taking forms
