Join the movement.

In 2021, KidsGardening partnered with 15 of the largest youth garden organizations to launch the Kids Garden Community. This FREE online community is open to anyone gardening with kids and provides opportunities in a central location for connection, peer learning, resource sharing, and program support.

Over 7,000 educators, caregivers and volunteers are benefitting from the Kids Garden Community and gardening with 60,000+ kids annually.

YOUR SUPPORT WILL GROW THE YOUTH GARDEN MOVEMENT!

This community is removing barriers to garden-based learning and increasing the number of kids in the US who have access to gardens. Our partners are crucial to the success of this movement as we inspire and empower educators and caregivers, providing them with easy access to the support they need to grow happier, healthier kids!
