

kids GARDEN MONTH

JOIN THE CHALLENGE!

Complete one or more challenges for a chance to win prizes! Learn more and submit your entries at KidsGardening.org.

Grow a seed in a cup

Send a photo! What observations did your young gardeners make?

Collage your dream garden

Look through a seed catalog (online or in print) and design a garden.

Interview a gardener

Who do you know that keeps a garden? Ask why they garden, who taught them about gardening, and what they like about it.

Draw your favorite pollinator

Tell us why you love it and a fun fact about this pollinator.

Review a garden activity

What did you like about it and what would you do differently next time? Would you recommend it to other kids?

Design KidsGardening merch

Can you make a great sticker or t-shirt?

Investigate soil

What type of soil do you have, and what will grow best in that type of soil?

Invent a botanical product

What garden scent or benefit you would add to a skincare, haircare, or home product?

Draw a garden comic

Send an image of your comic. One winner's work will be featured in an upcoming KidsGardening resource!

Write a song or jingle

Perform your garden song or jingle and send a short video!
